Subsidiary of Westinghouse  
Electric Corporation  
Uranium/Copper Project  
DOE/035/001  
Salt Lake County, Utah

Dear Jim:

I am sending you a copy of the generalized description of the uranium/copper project at the Copperton site. As I mentioned to you on the telephone, this is a DOE (Declaration of Exemption from a Mining and Reclamation Plan) because it disturbs less than two acres.

If you have any other questions, please call me.

Best Wishes,

Pamela Grubaugh-Littig  
Reclamation Engineer
